2. In view of request for clarifications, please refer to the table below:

SN	Queries	Replies
1	<i>What is the maximum budget allocated for this consultancy?</i>	The budget ceiling for any project is confidential.
2	<i>What is the expected level of engagement per week, including the anticipated proportion of in-person, remote and site-based work? This would help in preparing a quotation that adequately accounts for travel and related costs.</i>	The engagement is full-time in person and the Program Manager Expert will be posted at the Ministry of Energy and Public Utilities, Port Louis. Any remote work activity will have to be agreed with the Ministry and the International Solar Alliance beforehand.
3	<i>How will the division of responsibilities and workload between the two experts be determined? In addition, how will the workload undertaken by the one expert affect the other expert deliverable?</i>	Both Program Manager Experts will have the same functions and will be engaged under the same conditions; one Expert will sign a contract with the Ministry and the other one with the International Solar Alliance (ISA). Both will work under the general supervision

		of the ISA Regional Coordinator and the ISA National Focal Point of Mauritius. ISA Regional Coordinator and ISA National Focal Point of Mauritius will ensure that the workload undertaken by one Expert does not affect the deliverable of the other Expert.
4	<i>How will payment be structured? For example, will payment be based on monthly reports, timesheets, deliverables, or another arrangement?</i>	Remuneration is on a time basis, being the monthly rate proposed in Form F-4 multiplied by the working months. The Appointment shall be on a contract for an initial period of one (1) year renewable for a maximum of three (3) years subject to satisfactory performance. The payment schedule will be discussed and agreed at the financial negotiation stage.
5	<i>Is there a preferred currency for the financial quotation (MUR, USD or EUR)?</i>	The currency for the financial quotation is Mauritian Rupees.
