Management of post-cyclonic waste at temporary dump sites for Lot 1, Lot 2 and Lot 3 – ENV/SWM/PROC/ONB/9/2026-2027

Clarification from Bidder

Query No. 1 – Under ITB 5.5 (c) and Section IV (Stage 2), contractors are required to purchase and mobilise a 30 KW mobile shredder within 6 months of contract award, subject to a penalty of Rs 5,000/day. As payments are structured strictly on a daily operational rate during the Stage 2, please clarify:

- Will the Employer consider paying a monthly standby or holding fee to cover equipment holding and maintenance costs if no cyclonic event occurs during the 36-month contract term?

Reply No. 1 – There shall no be standby or holding fee.
